WELCOME TO NEW ENGLAND

Our family and organization are honored to have the privilege of hosting the 2023 Army-Navy game here at Gillette Stadium, bringing America's Game to New England. This landmark event extends far beyond the football field, bringing people together from across the nation for a celebration of sport and country, honoring the brave men and women who are willing to make the ultimate sacrifice to defend our freedoms. The Army-Navy Game is the ultimate showcase of physical, mental and strategic acumen, and most importantly, an opportunity for our country to show their respect and reverence for the nation's brightest young military minds. To have the opportunity to welcome this historic occasion to Gillette Stadium and New England for the first time is an incredible honor.

Beyond Gillette Stadium, Massachusetts' and New England's unrelenting passion for history, tradition and sports rivalries makes the Commonwealth a fitting location for America's Game. The very fabric of the United States of America has deep roots in this region, tying back to the first battles of the America Revolution, which took place right here in Massachusetts. Additionally, our Commonwealth is the very place where the National Guard, Army and Navy each were founded, and is the home of the USS Constitution, the oldest naval vessel afloat. This rich history is an integral part of the makeup of both the New England region and the nation itself, and we can't wait to add another chapter with the 2023 Army-Navy Game.

Much like any successful organization, Gillette Stadium's strength lies in its people. Our championship-caliber team consists of the smartest, most dedicated and diligent professionals in the industry, who will work tirelessly to execute this event with unmatched enthusiasm, championship expertise and experience. Here at Gillette Stadium, we have enduring respect, dedication and support for our military servicemen and women, with our organization, the Patriots and Revolution working to support these true Patriots and American heroes in many meaningful ways.

The Patriots and Revolution were the first professional sport organizations to reserve a seat in recognition of those soldiers who are POW/MIA, and the Patriots are one of the few NFL teams to have an active-duty reservist on the 53-man roster. We take great pride in serving as a leading example of the connection between sport and service and are honored to build on this tradition as the host of this great game.

While Gillette Stadium is accustomed to being on the biggest stage as the home of the six-time Super Bowl Champion Patriots and New England Revolution, host of seven AFC Championship games and more, nothing compares to the pageantry, history and tradition of the Army-Navy game. We are incredibly proud to host America's Game at Gillette Stadium and thrilled for the opportunity to welcome the Army and Navy teams, their families and all the patriots attending the game for an unforgettable weekend.

We are all Patriots,

Robert Kraft

AMERICA'S GAME

ARMY-NAVY GAME PRESENTED BY USAA ARMY AND NAVY WILL BATTLE FOR THE 124th TIME ON DECEMBER 9 AT GILLETTE STADIUM

For the first time in its 124-year series history, the storied Army-Navy rivalry will find the Black Knights and Midshipmen playing at Gillette Stadium in Foxborough, Massachusetts, on December 9, 2023. Only 10 Division I-A rivalries have featured more games than the Army-Navy series.

This revered series began when Cadet Dennis Mahan Michie accepted a “challenge” from Naval Academy Midshipmen for a football game against the Cadets. That first contest was held on “The Plain” at West Point on November 29, 1890. The more experienced Mids, who had been playing organized football since 1879, defeated the Cadets 24-0. Army claimed victory in the 2022 matchup, which saw the first-ever overtime contest between the two teams. Quinn Maretzki’s 39-yard field goal gave the Black Knights a 20-17 victory in double-overtime from Lincoln Financial Field in Philadelphia, PA.

Other venues that have hosted America’s Game are: West Point (4); Annapolis (3); Palmer Stadium, Princeton (1); Franklin Field, UPenn (18); Polo Grounds, New York (9); Baltimore Stadium (2); Soldier Field, Chicago (1); Yankee Stadium, New York (2); Municipal/John F. Kennedy Stadium, Philadelphia (41); Veterans Stadium, Philadelphia (17); Rose Bowl, Pasadena (1); Giants Stadium, New Jersey (4); M&T Bank Stadium, Baltimore (2); Lincoln Financial Field, Philadelphia (14); FedEx Field, Maryland (1); and MetLife Stadium, New Jersey (1).

The Army-Navy series has been tied on 13 occasions (five times since 1979). The latest tie came following Navy’s victory in 2004. The Mids’ win in 2005 gave Navy its first edge in the series since 1993. Until winning in 1980 to break a 37-37-6 stalemate, Navy had not led in the series standing since 1921, just after the 24th meeting between the academies.

CBS Sports reaffirmed its commitment to broadcasting the storied rivalry to a national audience with a new agreement until 2028. The Army-Navy Game presented by USAA will be the only college football game contested on the second Saturday in December, a departure from its recent history of being played a week earlier opposite several conference championship contests.

Since 2009, USAA has been the proud Presenting Sponsor of the Army-Navy Football Game (“America’s Game”). USAA is among the premier providers of banking products, insurance, investments, and financial planning to current and former members of the U.S. military and their families – including the Cadets and Midshipmen from the two academies.
