

## FUN THINGS TO DO AT HOME **NEWSCAST**

**Objective:** Research changes in rules and technology for the game of football then create a news program

**Materials:**

- Computer access
- Camera

**Directions:**

1. Do research on:
  - a. Changes in rules
  - b. Changes in technology
    - i. What is technology? → Technology is anything created by people to help or solve a problem or meet a need or desire
  - c. Changes in equipment
2. Think about why these changes were made
3. Write a news report script about these changes and why they were made
4. Film your report!
